HOUSE RULES DURING BUSY TIMES

During peak times we are limiting table dining times to approx. **1.5 hours per table**, please do not be offended if you are asked to vacate after your time has expired. Our Bistro seating capacity has been reduced during Covid from 220 to 90 and we ask that you work with us in these trying times. We are here to look after as many guests as possible.

To speed up meal service during peak times **NO changes to our menu are permitted.**

You may experience a longer than normal wait time of up to 45-minute for your meals during busy periods.

Each meal is "cooked" to order, please be patient with us as our team are doing their best to serve you as quickly as possible.

All cutlery / napkins and condiments are served to you at the time of meal collection.

Thank you
