Chairman's Report 2016/2017

On behalf of the Board, it is with pleasure that I present the Annual Report and Financial Reports for the year 2016/2017.

To the members and visitors that continue to patronise the Club, thanks for your support.

The Club's financial result for the past year was the strongest for some years, with a Nett Profit of \$514,991. Again this result strengthens the financial position of our Club which is carrying no debt, and having almost 4 million dollars in available Funds. A big thanks again to our Treasurer Allan Johnston who continues to support the Club's Management in his position.

I thank my fellow Directors for their support during the past year, without their help and enthusiasm the Board would not have overseen the results that we have achieved. To those Directors that are on 'sub committees' a big thanks for the additional time in giving direction and guidance from within those sectional committees.

The Board is still working to resolve the front entrance issue which has taken a lot longer than anticipated because of plans, car parking issues & other associated problems.

Again, budgets for revenue growth controlling expenses and to continue the drive to increase memberships have been set for the 2017/2018 year.

This is ensuring the Club Management is focused on the members and return on investment to the members through profits.

Your Club has continued to support the local Dubbo sporting sector through donations and sponsorship as well as the general community. Club Dubbo is supporting Dubbo Cycle Club, Dubbo Trotting Club, West Dubbo Apollo Netball Club, West Dubbo Rotary Club, plus other sections of the community grants through CLUB Grants.

Our CEO Mr Rodney Firth has again lead the management of CLUB DUBBO with enthusiasm and dedication, and I sincerely thank him for his effort. The Clubs' expenses have been kept in check with an overall reduction. Under Rods guidance the Club continues to monitor all of our expenses. A big thanks to Rod for his continued professionalism that he brings to his position.

The Board would also like to thank Ann Clarke for her dedication in the administration area.

Earlier this year a new position was created to assist in the running of the Club. That position "Operations Manager" was filled by Tim Farrell.

Tim has certainly picked up the ball and has been running with it. Things like automation of the ticketing of members promotions being produced at the various sales terminal whether it be for Bar Sales, Keno, Raffles or Bistro, ensuring the correct numbers are being generated.

Tim has been working on the CLUB DUBBO APP to help in communicating with our members more easily about the Club's functions/ promotions.

Our Web site is being upgraded to be more user friendly, allowing the easy update in the Promotional and Bowls areas as well as communicating other aspects of the Club.

Maree Pratt, our Catering contractor who along with her staff has been continuing to offer exciting new menus this year, helping members and visitors to enjoy the experience. To all the Bistro staff keep up your fantastic service.

Gavin Williams and Craig McNamara from the Board thank you for your efforts and enthusiasm as well.

To all other staff members, we wish to thank you for your ongoing effort throughout the year in serving the many members and visitors to the club, making our Club the successful and happy place that it is.

The outside staff headed by Darren Connelly, along with David and Josh thanks for your continued effort to the greens and surrounds which certainly are a credit to all the team.

A special mention to David Rouse who has recently retired and left the Club after 26 Years of service, from everyone at the Club a special thanks for your dedication.

Anthony Brown our Bowls Manager thanks for your continued effort, working for the advancement of the game.

To the Ladies and Men's bowlers, congratulations to all winners of the various section of major/minor singles, pairs, triples as well as the fours, well done.

To the West Dubbo Diggers and Friends section congratulations on a successful year, including the Digger's Day and other fund raising activities.

From the Board and management of CLUB DUBBO our sincere sympathy goes out to all families that have lost loved ones during the past 12 months.

We look forward to your Club having another strong year and the continuing support from our members and the visitors using our facilities.

CHAIRMAN

Chief Executive Officer's Report

Members it gives me great pleasure to present my Annual Report for the year ending 31 May 2017.

Following last year's good profit, the Club has recorded a very healthy net operating profit of \$514,991. This increase is due mainly to an increase in overall income, and a reduction in overall operating expenses, which are constantly being monitored. Due to the Club's ongoing capital equipment replacement programme we have been able to reduce our repairs and maintenance costs, and control overall expenses.

The Club's cash reserves have continued to grow by another healthy \$600,000 placing the Club in a very strong financial position. The Club has been able to continue to upgrade the poker machines, refrigeration equipment, and also extend the south-east corner of the car park.

The Club is very fortunate to have a very loyal membership base, and your support this year has been very commendable. The Club has continued to improve Members promotions recently introducing the automated ticketing system starting with the Spring Cash Giveaway, and improving the loyalty points system whilst making any purchases in the Club, and whilst utilising our gaming machines. The Club has in the past 12 months provided Members benefits in excess of \$500,000 by way of raffles, cash draws, badge draws, bingo, taxi vouchers, bowls trophies and travelling expenses.

The Club is very fortunate in having a unified Board, and I wish to thank our Chairman John Herring for his continued guidance throughout the year together with our Board of Directors for their support and efforts. The Board has Strategic planning very high on the Club's agenda, and this will result in your Club facilities being improved in the not too distance future.

During the early part of the financial year I injured my back which resulted in myself having to take broken amounts of sick leave. I would like to take this opportunity to thank Ann Clark for her excellent efforts in holding the Club's administration together during my absence. Ann the Club, and myself are ever so grateful for your outstanding efforts.

Also, a big thank you to Gavin Williams and the Bar Staff, Storeman/Cleaners, and to Darren Connolly and his greens staff for continuing to keep our outdoor areas looking a picture all year round. Our Bowls Manager Anthony Brown has had an excellent year managing many bowls events, and assisting with our administration.

Our assistant Greenkeeper David Rouse recently retired after 28 loyal years at Club Dubbo, and on behalf of the Board, Management, Members and Staff I wish David all the very best in a long and healthy retirement.

In March, the Club appointed Tim Farrell to the new position of Club Operations Manager, and I welcome Tim to this senior position on the Club Staff, and I have no doubt that he will excel in this position.

To our Caterer Maree Pratt and your loyal Staff, thank you once again for all your efforts as it has been a busy year with you also catering for our major bowls and sporting events and making our visitors most welcome.

Members, once again thank you for your loyal support, and I hope you continue to enjoy your Club facilities, and we look forward to another successful year.

Rod Firth
Chief Executive Officer

BOWLS MANAGER'S REPORT

Dear Members,

I am pleased to present you with my 7th Annual Report as Bowls Manager of Club Dubbo (West Dubbo Bowling Men's Club).

The Club Championships for 2016 saw an increase in numbers for each championship, which is very pleasing! There were some incredibly close finals and a high standard of bowls played by all. The Club Championship winners and runners-up for 2016 are as follows:

Event	Winner	Runner Up
Major Singles	Tim Farrell	Sean Cairns
Minor Singles	John Silk	Mark Raines
Major Pairs	Darren Connolly Matt Thompson	Craig Biles Josh Andriske
Minor Pairs	Drew Martin Lloyd Peirce	Rick See Bob Forrest
Major/Minor Pairs	Adam Ball Anthony Brown	Cooper McMullen Josh Andriske
Triples	James Robinson Cooper McMullen Josh Andriske	Bruce Baker Frank Rowe Trevor Williams
Fours	Michael Milson Alby Harper Alex Rae Josh Andriske	Cooper McMullen Alan Andriske Paul Hagarty Sean Cairns
Mixed Pairs	Tracey Silk John Silk	Amy Stevenson Anthony Brown
Mixed Fours	Joy Brown Les Ney Mary Ney Harold Baker	Gail Cale John Silk Tracey Silk Simon Kirkness
Most Improved Bowler	Grant Gilholme	
Sainsbury Automotive Bowler of the Year		Tracey Silk

Our pennant teams in 2017 put in a great effort during the season, playing in grades 1, 4, 5, 6 & 7. This year, with an increase of numbers willing to play, we put in an extra team.

No 7-grade team were the only team having any success, making the Zone 4 play offs. The other 4 teams did exceptionally well, but weren't good enough.

I would like to thank fellow selectors, Alby Harper and Alex Rae, for assisting me through the year, making all teams very compatible under the circumstances, and to everybody who made themselves available for pennants. I sincerely thank all players, and look forward to a year of success on the greens in 2018.

The club staged numerous tournaments during the year of which the club should be proud. There are not too many clubs this side of the mountains that stage over 14 tournaments through the year. Special thanks also to Club Dubbo, for sponsoring the majority of these tournaments.

I would also like to thank our major sponsors for the year, Sainsbury Automotive (Terry Green), who sponsored our major fours tournament in July. In addition, they are sponsoring our Bowler of the Year, which is presented at our Presentation Night.

Sainsbury Automotive, in conjunction with Hyundai, are also major sponsors of our Junior Bowls Academy. We have over 8 juniors (known as Joeys) joined up in the academy.

Another of the club's major sponsors is BCIB Insurance (Ian Hopper). After a great success last year, we will again be running the BCIB Open Triples tournament in September. This year, we will be having a fundraiser for the Dubbo Cancer Centre at the Dubbo Base Hospital. At the tournament, the club will be very fortunate to have 3 Australian players attending - Steve Glasson, Kelvin Kerkow and Karen Murphy.

The club also staged three Over-60's tournaments through the year sponsored by Western District Lawn Cemetery. These tournaments had an overwhelming response from other clubs.

The Noel Soane Junior Pairs also received a great roll up with over 26 teams coming from all over the state to play. Special mention goes to Bowls NSW Junior Coordinator, Chris Green, who assisted in getting extra teams by having a state training day on the following day of the tournament, where all the junior state squad was asked to attend. In August, we are privileged to host our 2nd NSW Junior 7-a-Side Championships, which will bring in over 120 junior bowlers from 16 zones, plus parents and officials.

In 2017, the West Dubbo Men's and Women's Bowling Clubs have modernised the prize money system for all social bowls. Winners and runners-up prizes on all social bowls days will now be transferred into points, which will be then accredited onto each player's membership card.

In addition, during 2017, a members' incentive scheme was introduced, where all bowling members can accrue points towards free games and some fantastic prizes.

I thank our club coaches, Steve Robinson, John Rodis, Brian Bolton, Glenn Morrison, Roslyn Gilholme and Debra Brown, for their assistance throughout the year, especially with new bowlers and the Junior Bowls Program the club is running with the Junior Academy.

As always, I have nothing but praise for Darren Connolly, our head greenkeeper, who, along new assistant Daniel Smith and Josh Andriske, continue to provide the best greens and surrounds a club could hope for. Well done fellas, and keep up the good work!

Ros Gilholme (President), and the Ladies' Committee, have been most helpful throughout the year, particularly in the running of their two major tournaments.

I would also like to take this opportunity to thank the Men's Match Committee members, Glenn Morrison, Brian Jones, Bruce Baker and Paul Hagarty, for their support and guidance throughout the year. Whenever I have needed a hand, they have always been the first to assist.

Our club umpires, John Rodis, Paul Hagarty, Brian Bolton, Ros Gilholme, Deb Brown, Bev Goss and Mary Ney, are always on hand to volunteer their services, especially when we stage major events during the year. Many thanks to you all!

I would also like to take this opportunity to thank everybody who has assisted me with the bowls' operations this year. I don't wish to rattle off all the names, as I would be here for hours. However, a special mention needs to go to our Bowls' President, Mr Brian Jones, for his guidance and support over the last 12 months. Words cannot express how grateful I am!

To Rodney Firth (CEO), Ann Clarke (Club Secretary) and the Board of Directors, my thanks go to you for the continued support and financial backing. When you look around at the state of bowls in many other clubs, ours is one to be envied.

Both the Men's and Ladies' Bowling Clubs are actively promoting the game through a variety of bowling activities, not only for current members, but also for new and social players. We are also working closely with the local community and business houses to get more bowlers of all levels onto our magnificent greens. I look forward to working with you all in the next 12 months, as we promote both the game we enjoy and the club of which we are proud and active members.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MAY, 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial report covers the individual entity of West Dubbo Bowling Club Limited, which is a company limited by guarantee, incorporated and domiciled in Australia.

Basis of Preparation

The company applies Australian Accounting Standards – Reduced Disclosure Requirements as set out in AASB 1053: *Application of Tiers of Australian Accounting Standards* and AASB 2010-2: *Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements*.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the *Corporations Act 2001*. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurements at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

Accounting Policies

(a) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses.

The carrying amount of freehold land and buildings is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the depreciated replacement cost of the asset in accordance with the provisions for not-for-profit entities contained in Australian Accounting Standards.

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses are recognised either in profit or loss. A formal assessment of recoverable amount is made when impairment indicators are present (refer to note 1(m) for details of impairment).

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MAY, 2017**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

(a) Property, Plant and Equipment (cont.)

The depreciable amounts of all fixed assets, excluding freehold land, are depreciated on either a straight line or diminishing value basis over their estimated useful lives to the entity commencing from the time the asset is held ready for use.

The depreciation rates used for each class of assets are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5%
Plant & Equipment	10% to 37.5%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each reporting date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise.

(b) Inventories

Inventories held for sale are measured at the lower of cost and net realisable value. Inventories acquired at no cost, or for nominal consideration, are valued at the current replacement cost as at the date of acquisition.

(c) Financial Instruments

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the company commits itself to either purchase or sell the asset (i.e. the trade date is adopted). Financial instruments are initially measured at fair value plus transaction costs. Subsequent to initial recognition these instruments are measured as set out below.

Available-for-sale financial assets

Units in unlisted public trusts are classified in this category. Available-for-sale investments are non-derivative financial assets that are either not capable of being classified into other categories of financial assets due to their nature or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

They are subsequently measured at fair value with any remeasured at fair value with any re-measurements other than impairment losses in other comprehensive income. When the financial asset is de-recognised, the cumulative gain or loss pertaining to that asset previously recognised in other comprehensive income is re-classified into profit or loss.

WEST DUBBO BOWLING CLUB LIMITED

ABN 39 001 030 584

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MAY, 2017

(c) Financial Instruments

Available-for-sale financial assets are classified as non-current assets when they are not expected to be sold within 12 months after the end of the reporting period. All other available-for-sale financial assets are classified as current assets.

Held-to-maturity investments

These investments have fixed maturities, and fixed or determinable payments, and it is the company's intention to hold these investments to maturity. Any held to maturity investment held by the company is stated at amortised cost using the effective interest rate method. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.

Fair Value

Fair value is determined based on current withdrawal prices for all quoted investments.

Impairment

At each reporting date, the company assesses whether there is objective evidence that a financial instrument has been impaired. Impairment losses are recognised in profit or loss.

(d) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the company, are classified as finance leases.

Finance leases are capitalised, recognising an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight line basis over their estimated useful lives where it is likely the company will obtain ownership of the asset, or over the term of the lease.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(e) Employee Benefits

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

WEST DUBBO BOWLING CLUB LIMITED

ABN 39 001 030 584

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MAY, 2017

(e) Employee Benefits (cont.)

The company classifies employees' long service leave and annual leave entitlements as other long-term employee benefits as they are not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Provision is made for the company's obligation for other long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the re-measurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The company's obligations for long-term employee benefits are presented as non-current liabilities in its statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case obligations are presented as current liabilities.

All employees of the company receive defined contribution superannuation entitlements, for which the company pays the fixed superannuation guarantee contribution (currently 9.5% of the employee's average ordinary salary) to the employee's superannuation fund of choice. All contributions in respect of employees' defined contribution entitlements are recognised as an expense when they become payable. The company's obligation with respect to employees defined contribution entitlements is limited to its obligation for any unpaid superannuation guarantee contributions at the end of the reporting period. All obligations for unpaid superannuation guarantee contributions are measured at the (undiscounted) amounts expected to be paid when the obligation is settled and are presented as current liabilities in the company's statement of financial position.

(f) Income Tax

Under current income tax law, clubs established for the promotion and encouragement of the game of bowls are exempt from income tax, providing this is their predominant purpose. The company's exempt status was confirmed in writing by the Australian Taxation Office in 1989. The directors have reviewed the current status of the company and believe it still satisfies the conditions for income tax exemption. Accordingly, no provision for income tax is made in the financial report. Likewise, no deferred tax assets or liabilities have been recognised in the balance sheet.

(g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts.

(h) Revenue

Revenue from the sale of goods or the rendering of services is recognised upon delivery of goods or services to customers. Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. All revenue is stated net of the amount of any goods and services tax (GST).

WEST DUBBO BOWLING CLUB LIMITED

ABN 39 001 030 584

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MAY, 2017**

(i) Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial period.

(j) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(k) Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(l) Intangibles

Intangibles consist of poker machine entitlements. Poker machine entitlements are considered to have an indefinite useful life and as a consequence no amortisation has been charged. Poker machine entitlements are tested annually for impairment and are carried at cost less accumulated impairment losses.

(m) Impairment of Assets

At each reporting date, the company reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the profit or loss.

Impairment testing is performed annually for intangible assets with indefinite useful lives.

Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.
